

Jane Architect

Architectural Designer jane@example.com | linkedin.com/in/janearchitect | (555) 123-4567 | City, State

EDUCATION

Bachelor of Architecture (B.Arch) University of Architecture and Design *2018 - 2023* GPA: 3.8/4.0 **Study Abroad Program** Copenhagen School of Architecture *Fall 2021* Focus: Sustainable Urban Design

SKILLS

Software

- AutoCAD
- Revit
- SketchUp
- Rhino
- Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Lumion
- Enscape

Design

- Architectural Drafting
- 3D Modeling & Rendering
- Space Planning
- Sustainable Design
- Building Information Modeling (BIM)
- Model Making
- Architectural Photography

Professional

- Project Management
- Client Presentations
- Design Research
- Building Codes & Regulations
- Construction Documentation
- Collaborative Design

ACADEMIC PROJECTS

Sustainable Urban Housing Project *Spring 2023*

- Designed affordable, sustainable housing for urban environments
- Incorporated passive solar design, rainwater harvesting, and community spaces
- Awarded 2nd place in university sustainable design competition
- Utilized: AutoCAD, SketchUp, Sustainable Design principles

Cultural Center Redesign *Fall 2022*

- Developed comprehensive redesign proposal for local cultural center
- Focused on improving accessibility, acoustic performance, and visual aesthetics
- Selected for presentation to city council
- Utilized: Revit, 3D Rendering, Historic Preservation techniques

Micro-Living Concept *Spring 2022*

- Created innovative approach to micro-apartments maximizing livability
- Explored flexible furniture solutions and multi-functional spaces
- Featured in student architecture journal
- Utilized: Interior Design, Space Planning, 3D Modeling

Public Library Extension *Fall 2021*

- Designed modern extension to traditional public library
- Created new spaces for digital resources and community gatherings
- Received honorable mention in student competition
- Utilized: AutoCAD, Revit, Public Space Design principles

EXPERIENCE

Architectural Intern Urban Design Associates | City, State *Summer 2022*

- Assisted with drafting and documentation for mixed-use development projects
- Participated in client meetings and design charrettes
- Created presentation materials and physical models
- Conducted research on sustainable building materials and methods

Design Research Assistant University Architecture Department | City, State *2021 - 2023*

- Supported faculty research on urban resilience and climate adaptation
- Collected and analyzed data on building performance
- Created visualizations and diagrams for research publications
- Assisted with organizing design workshops and exhibitions

AWARDS & RECOGNITION

- Dean's List (2019-2023)
- Sustainable Design Excellence Award (2023)
- University Design Competition Finalist (2022)
- Architecture Department Scholarship (2020-2023)

ACTIVITIES & MEMBERSHIPS

- Student Member, American Institute of Architecture Students (AIAS)
- Vice President, University Architecture Society (2021-2022)
- Volunteer, Habitat for Humanity (2020-2023)
- Participant, Design for Social Impact Workshop Series (2022)

LANGUAGES

- English (Native)
- Spanish (Intermediate)
- Danish (Basic)
